Vytrile™ Gloves

- Latex-free, the **highest quality synthetic alternative to Latex gloves**, with reliable performance and superior protection.
- Vytrile gloves are **3X stronger than most vinyl gloves**. Offers the most significant upgrade from vinyl gloves.
- ASTM tested at **0% viral penetration** and **0% alcohol permeation**, unlike most other synthetic gloves.
- Greatest price value, at about **half the cost of Nitrile or Latex gloves**, and **priced near Vinyl glove prices**.
- Protect, have smooth texture, offer **great fit and flexibility** that conform closely to contours of the hand.
